Dear Madam,

MCCI Ladies Forum is organizing a two hour workshop for Ladies on 'Interpersonal Relationships' by Addlife Caring Minds (ALCM) on Friday, April 4, 2014 at 3 p.m.at ALCM Centre in Kolkata.

A Patton India Initiative - AddLife Caring Minds is a state of the art facility for psychological growth, the first of its kind in Kolkata, where the Mental health professionals provide their expert services to both clinical and non-clinical issues all under one roof. To name a few, their clientele comprise ICAI, Kolkata Police, Central Industrial Security Force, Round Table, Rotary, YFLO (Young FICCI Ladies' Forum). They conduct workshops and self-enhancement sessions for all age groups including ladies at various stages of their lives seeking to create a more fulfilling life.

The workshop for MLF would contain a Stimulating Discussion on the theme by the Mental Health Professional along with a Question & Answer Session between the participants and the Expert. This would be followed by light refreshments and a tour of the Centre. The discussion would be engaging involving 'role plays', 'videos' and 'different activities'.

You are cordially invited to attend the workshop and are also welcome to be accompanied by any female family member or friend. Please note, the participation to the programme would not entail any fee.

Due to paucity of space, ALCM has requested to restrict the participants to 50. We request you to kindly register your name via email to m.chatterjee@mcciorq.com or by sms/phone to 98307 10986 as early as possible since only the first 50 entries would be registered.

Thanking you,

Yours faithfully,
