C.No. 51 / Meeting.No.7 /2015-16

To: All Members of MCCI Ladies Forum

All Members

Dear All,

Re: MLF Visit to Meet Child Cancer Patients at TATA Medical Centre-Kolkata

MCCI Ladies Forum is planning for a Group Visit to TATA Medical Centre, Rajarhat Unit on a Saturday in July, 2015. The objective would be to meet Child Cancer Patients and spend some valuable time with them .

Interested members of MLF and MCCI may kindly register their name with us . Members who are keen to donate may send their payments TO MCCI Office, in cheques in favour of 'TATA MEDICAL CENTRE TRUST' so that during our visit we may hand in all the cheques together as a 'donation' from MLF/MCCI members.

Food consumption being restricted for 'Cancer Patients', TATA Medical Centre would confirm the food articles which may be carried closer to the date which will be communicated to all .

The final date will be emailed to you as indicated by TATA Medical Centre shortly.

I would personally request all of you to render your help and join us.

Thanking you,

Yours faithfully,

Muroti Chatterjee
(Assistant Director General)
