She also referred to Mudra Yojana to cater to the banking needs of the rural industries. She expressed satisfaction, 70% of those benefitted by Mudra Yojana are women, whose recovery rate range around 98–99 %.
- The Hon'ble Minister stressed on the factual recognition of the burden of NPAs, as lending was done to non-viable projects. She focused on the need for better Governance, Transparency, Fiscal Discipline.
- She pointed out that GST had been the hallmark of cooperative federalism and political consensus, which has brought one of the 6th largest economies on a single track of development.
- On Fiscal Discipline, she said that in the last 4 years, the number of assesses increased by 64.6%.
- She also mentioned about the increasing FDI from \$ 1.3 billion in 2015–16 to \$ 6.2 billion in 2018–19, which is going to infrastructure. She dwelt upon the Government's resolve to strengthen the infra projects by bringing in more FDI, to the tune of Rs.5.7 trillion.
- On Textile sector, she assured that MCCI would be called for a discussion on the issues very soon.

Earlier, in his Presidential Address, **Shri Ramesh Agarwal**, Outgoing President of the Chamber said that India has now become the 6th largest economy in the world, according to a World Bank report, which has stated that India's GDP stands at USD 2.59 Trillion. The economy crossing the 8% mark now largely depends on how effectively the various policies, especially those related to structural and infrastructure reforms are implemented. He also hoped that the focus on demand and job creation through spending on rural and labour-intensive infrastructure space is likely to support growth next fiscal, and push demand in the consumer sectors.

The Session ended with Vote of Thanks by **Shri Vishal Jhajharia**, Incoming President of the Chamber.
