**Re: Important dates for submission of TCS & TDS Statements**

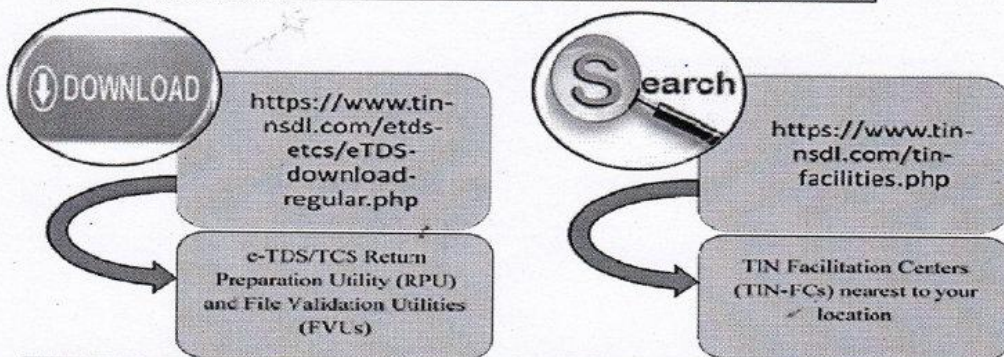

Dear Sir,

I would like to invite your kind attention to following important dates for furnishing the TDS/TCS statements.

The RPU and FVU software are freely available for download at <https://www.tin-nsdl.com/downloads/e-tds/eTDS-download-regular.html>

### To submit the statement

### Usage of software as per the Financial Year

**RPU Version 2.5  
(Java based)**

• This is used for preparing and validating e-TDS/TCS Statement(s) as it contains inbuilt FVUs

**FVU Version 6.0**

• Used for validating quarterly e-TDS/TCS Statement(s) applicable to FY 2010-11 onwards.

**FVU Version 2.156**

• Used for validating quarterly e-TDS/TCS Statement(s) applicable from FY 2007-08 up to FY 2009-10.

Note:- Please download and replace the existing folders with the latest version of FVU and RPU folders available at TIN website. Replacing only the FVU Jar file in the old folder may lead to the rejection of statement at the time of submission of the file. Members may call NSDL at 020-27218080 in case of any query/concern.

Thanking you,

Yours faithfully,  
  
(M.C.Das)
