

Memorandum of Understanding

“MOU”

Between

Chamber of Commerce and Industry in Katowice, Poland

And

Merchants' Chamber of Commerce & Industry, Kolkata, India

The Chamber of Commerce and Industry in Katowice (CCI Katowice) and Merchants' Chamber of Commerce & Industry (MCCI), Kolkata with a view to strengthening friendly relations between the two sides and promoting exchanges and cooperation in the spheres of trade, economy and technology between Poland and India, have concluded the present MOU to promote trade and economic cooperation in the following ways:

1. Through the exchange of information related to trade, economy and technology;
2. By providing each other with information about investment and cooperation opportunities in industrial, agricultural, commercial and infrastructure projects, as well as trade opportunities. The Parties will also provide assistance in identifying business partners;

A blue handwritten signature or mark is located in the bottom right corner of the page.

3. Through the exchanges of visits and research by economic, trade and technical delegations in both regions;
4. By providing essential assistance to such delegations, especially in arranging appointments and business discussions for the relevant companies and organizations;
5. By organizing seminars on matters concerned with the economy, trade development and technology;
6. Through the co-sponsorship of economic, trade and technological exhibitions and displays;
7. Through the provision of information about related companies and the introduction of legal and consultant services to each other;
8. By other activities related to the promotion of harmonious relations between the two Parties and the economic development and prosperity of the regions concerned.

The Parties agree on the need for regular liaison meeting to promote trade and economic development. Therefore, the Parties agree to meet regularly to discuss the execution of this MOU and to explore new areas for cooperation. In addition the Parties will correspond regularly to achieve the objectives of this MOU.

Both parts shall determine independently their budgets and expenses for performance of above listed activities and holding of joint sessions.

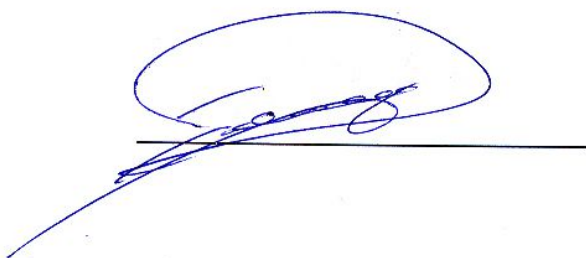

Details about each activity should be settled beforehand through friendly consultation between the two sides.

The cooperation shall start from the date of signing this MOU and shall continue for a period of three years unless either party requests its termination by serving written notice to the other party six months prior to the date of expiration.

The MOU is signed on 21st January 2017
