MCCI
Ladies Forum
Invitation for Membership

Merchant's Chamber of Commerce & Industry (MCCI) launched its Ladies Wing- **MCCI Ladies Forum (MLF)**, on August 14, 2012. As being the one of the most forward-thinking business chambers of eastern India, MCCI takes up women empowerment as a special vertical adding dimension to the activities of the chamber.

MCCI Ladies Forum aims to bring together a diverse mix of successful women leaders, who will provide an understanding of the steps they have taken to climb the corporate ladder to a successful leadership position. Our goal is to bring together bright minds to give talks that are idea-focused, and on a wide range of subjects, to foster learning, inspiration and wonder – and provoke conversations that matters. This initiative is a commitment towards promoting women leaders and bringing the vision of rising generations to the forum.

Since its creation, MLF has brought together women representing a diversity of sectors. Amongst these talents have risen leaders, CEOs and executives of important companies, and NGO representatives, who help drive women economic empowerment in their sphere of work. Each year, progressive women join MLF to benefit from enhanced networking activities during the event.
